MOTION-LIGHT
Quintezz®

Automatic motion & light sensor

SOLAR POWERED

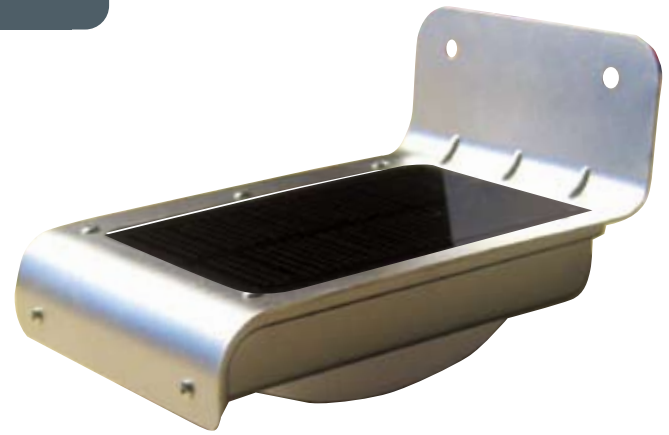

MOTION SENSOR

KEY FEATURES

- Automatic motion & light sensor
- Automatic dim function
- Automatic ON/OFF function
- Aluminium: completely corrosion free
- Lifetime use
- No power needed
- Easy mounting
- 100% waterproof & heat proof
- High efficiency
- Green power

TECHNICAL SPECIFICATIONS

• Solar charging	< 8 hrs	[charges in ordinary day-light conditions, does not require bright sunshine]
• Protect function	yes	
• Kelvin	6000 °K - 6500 °K	
• Lumen	130	
• Color	Silver	
• Consumption	1 Watt	
• HP LED's	16 pcs SMD	
• Solar panel	0,55 Watt	
• Battery	Li-ion battery 3.7V 800mAh	
• IP	64	
• Dimensions	132 x 92 x 77 mm	
• Weight	198g
